Defining Equality, Diversity and Inclusion

Business Modelling Associates UK Ltd believes that Equality is about creating fairness, where everyone can participate and has the same opportunity to fulfil their potential. We are committed to fully complying with our obligations under the Equality Act (2010) by preventing unfair discrimination, harassment and victimisation; advancing equality of opportunity and fostering good relations between people with a protected characteristic and those with none.

Business Modelling Associates UK Ltd recognises that Diversity acknowledges and values the full range of differences between people both in the workplace and in wider society. Diversity acknowledges that entry into the workplace and an individual realising their potential once there, can be influenced by a range of factors beyond the characteristics included within equality legislation. Business Modelling Associates UK Ltd understands that Inclusion relates to an individual's experience within both the workplace and in wider society, and the extent to which they feel valued and included.
